Dated Tumkur the, 12th/14. July 1924.

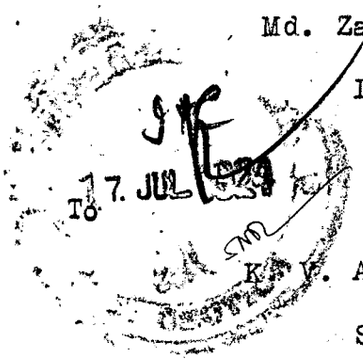
Deputy Commissioner, Tumkur District.
TUMKUR.



To

K.V. Anantaraman, Esquire, B.A.,
Secretary to the Govt: of H.H. the Maharaja of
Mysore, Revenue Department, BANGALORE.

Sir,

With reference to your No. I C. 135/Ft. 168-23 dated Reminder 9th July 1924 in the matter of the levy of a seigniorage rate of Rs. 0-3-4 per buffalo-load of green fuel to be removed from the Forests in the Chickanaiknahalli Range, I have the honor to state that the Amildar of Chickanaiknahalli has since reported that the exemption from paying the seigniorage may be confined only to those paying a kandayam of less than Rs. 25/-. This opinion has been endorsed by the Sub Division Officer, Gubbi. The District Forest Officer, Tumkur, on the other hand, is opposed to the stoppage of the seigniorage.

2. Even admitting the District Forest Officer's opinion that the fall of revenue in the Chickanaiknahalli vending station is due soley to the non-issue of fuel licenses, the figures given by him in his letter to the Conservator of Forests show that the loss of revenue to Government will not be more than Rs. 230/- per annum if the issue of such licenses is discontinued entirely. In view of the present Seasonal conditions I am of opinion that its levy may be suspended for six months so far as persons paying a kandayam of less than Rs. 25/- are concerned. Of course this exemption need not be extended to those paying a kandayam of Rs. 25/- and over.

3. The reports of the District Forest Officer, Sub Division Officer,

6

Officer and Amildar are herewith submitted in original for kind reference.

I have the honor to be,

sir,

Your most obedient servant.

TO

K. V. Anantharaman, Esq., B.A.,
Secretary to the Govt. of H. H.
the Maharaja of Mysore, Rev. Deptt.

SIR,

With reference to the correspondence ending with your letter No.IC. 1756/Ft. 20-24-2 dated 9-9-24, regarding the levy of seigniorage at Rs. 0-3-4 per buffalo-load of green fuel to be removed from the forests in the Chiknaikanhalli Range, I have the honour to state that a buffalo-load is taken as equivalent to one-third of a cart-load i.e. 6⅔ cft. in the present case and that the seigniorage is therefore proposed at 1/3 the rate for a cart load. Removal of fuel by buffalo-loads is not in vague in any other place. I may however state that in some of the Districts in the Madras Presidency seigniorage equivalent to three-fourths the rate applicable to a cart-load, is levied for a yoke-load (in the case of buffaloes). The rate now proposed for buffalo-load therefore appears reasonable and may be kindly approved.

2. The period for which the levy proposed was ordered to be held in abeyance, has expired and the District Forest Officer, Tumkur District, brings to notice in his letter No. 169 dated 4-9-24 a copy of which is herein enclosed for kind perusal, that the revenue of the vending stations at Chiknaikanhalli, has been adversely affected owing to the non-issue of licenses for buffalo-loads. In the interests of revenue, the matter may I beg be regarded as urgent.

I have the honour to be,
Sir,
Your most obedient servant,

In inviting your kind reference to your No.10610 dated the 4th April 1924, directing that the levy of the seigniorage on buffalo-loads of firewood in the Chicknayakanahalli Range, may be held in abeyance, I have the honour to state that the period referred to in the 1st para of Government Order No.IC. 5918/Ft 168-23-4 dated the 28th March 1924 received with the above has already expired. I therefore request you to kindly issue instructions as to whether final orders of Government have since been received as to the levy of the said rate. If not, the Government may be kindly moved to kindly pass orders early, as the revenue ofthe Chicknaikanahalli Vending Station has since been reduced to nil, owing to the non-issue of licene to buffalo-loads.
